

Buckingham Properties Presents
canstruction[®]
4th Annual Rochester Design/Build Competition

call for entries

Canstruction is an international competition where architects, engineers, contractors and students compete to design and build giant structures made entirely from full cans of food. At the close of the event all the food from the Rochester competition will be donated to the Rochester Food Link

Rochester is joined by over 100 cities across the world who hold **Canstruction** competitions. Highlighting the creativity and compassion of top architectural and engineering firms. These astounding structures are helping change the world - by lifting the spirits of those in need, by raising public awareness and most importantly, by collecting millions of pounds of food for local food banks.
